

Project: Contribution of the WASH Network to strengthening and transforming humanitarian WASH coordination, capacities, and cooperation with other actors to achieve localized, gender-equitable, climate-sensitive, environmentally friendly, and complementary humanitarian WASH assistance.

Project Donor/Partner : German Toilet Organization (GTO)

Project Area : Nepal and Asia region

Project Duration : April 2023 to December 2025

Project Goal : Increase the networking among humanitarian WASH-implementing agencies/ organizations and enhance the capability to achieve localized, gender-equitable, climate-sensitive, environmentally friendly, and complementary humanitarian WASH assistance.

Project Brief:

This project funded by German Federal Foreign Office (GFFO) to German Toilet Organization (GTO) and ENPHO has been sub-granted to conduct specific activities in Nepal and the Asia region. This project is envisioned to conduct a series of regional in-person and virtual events such as learning sharing and training workshops to enhance the capacity of humanitarian-based organizations including government and development partners for the Asian region. It prioritized experience-based cross-learning, introducing new tools and technology to accelerate effective humanitarian support. It also focuses on increasing networking and coordination/collaboration among humanitarian support organizations establishing global alumni online platforms in Asia, MINA and Africa regions.

Major Outputs:

- Developed the detailed project work plan jointly with GTO to implement envisioned activities.
- The Asian regional-level workshop preparation is in progress to be launched in October 2023.
