

TRAINING ON COMMUNITY WASH FACILITATION FOR WASH FACILITATORS

Only for Nepali Participants

The four-day training support from CAWST, jointly organized by ENPHO and coordinated by Habitat for Humanity Nepal on Community WASH Facilitation, blends theory, demonstrations, and practical exercises to build your confidence and capability as a community facilitator. The training aims to enhance our knowledge of total sanitation approaches and sharpen our triggering skills, empowering us to effectively engage households and communities in adopting improved WASH behaviors.

KEY CONTENTS

- Roles and responsibilities of WASH facilitators
- Total sanitation and its indicators
- Steps of behavior change
- IEC materials and their uses
- Presentation skills
- Conducting community orientations
- Guidelines for household visits
- Home visits and follow-up
- Practice sessions

TARGET PARTICIPANTS

- WASH facilitators
- Social mobilizers
- Community WASH triggerer

 16 - 19 March 2026

 9:30 am - 5:00 pm

 Biratnagar

Strengthen your skills to mobilize communities toward better WASH practices through participatory approaches and hands-on learning.
